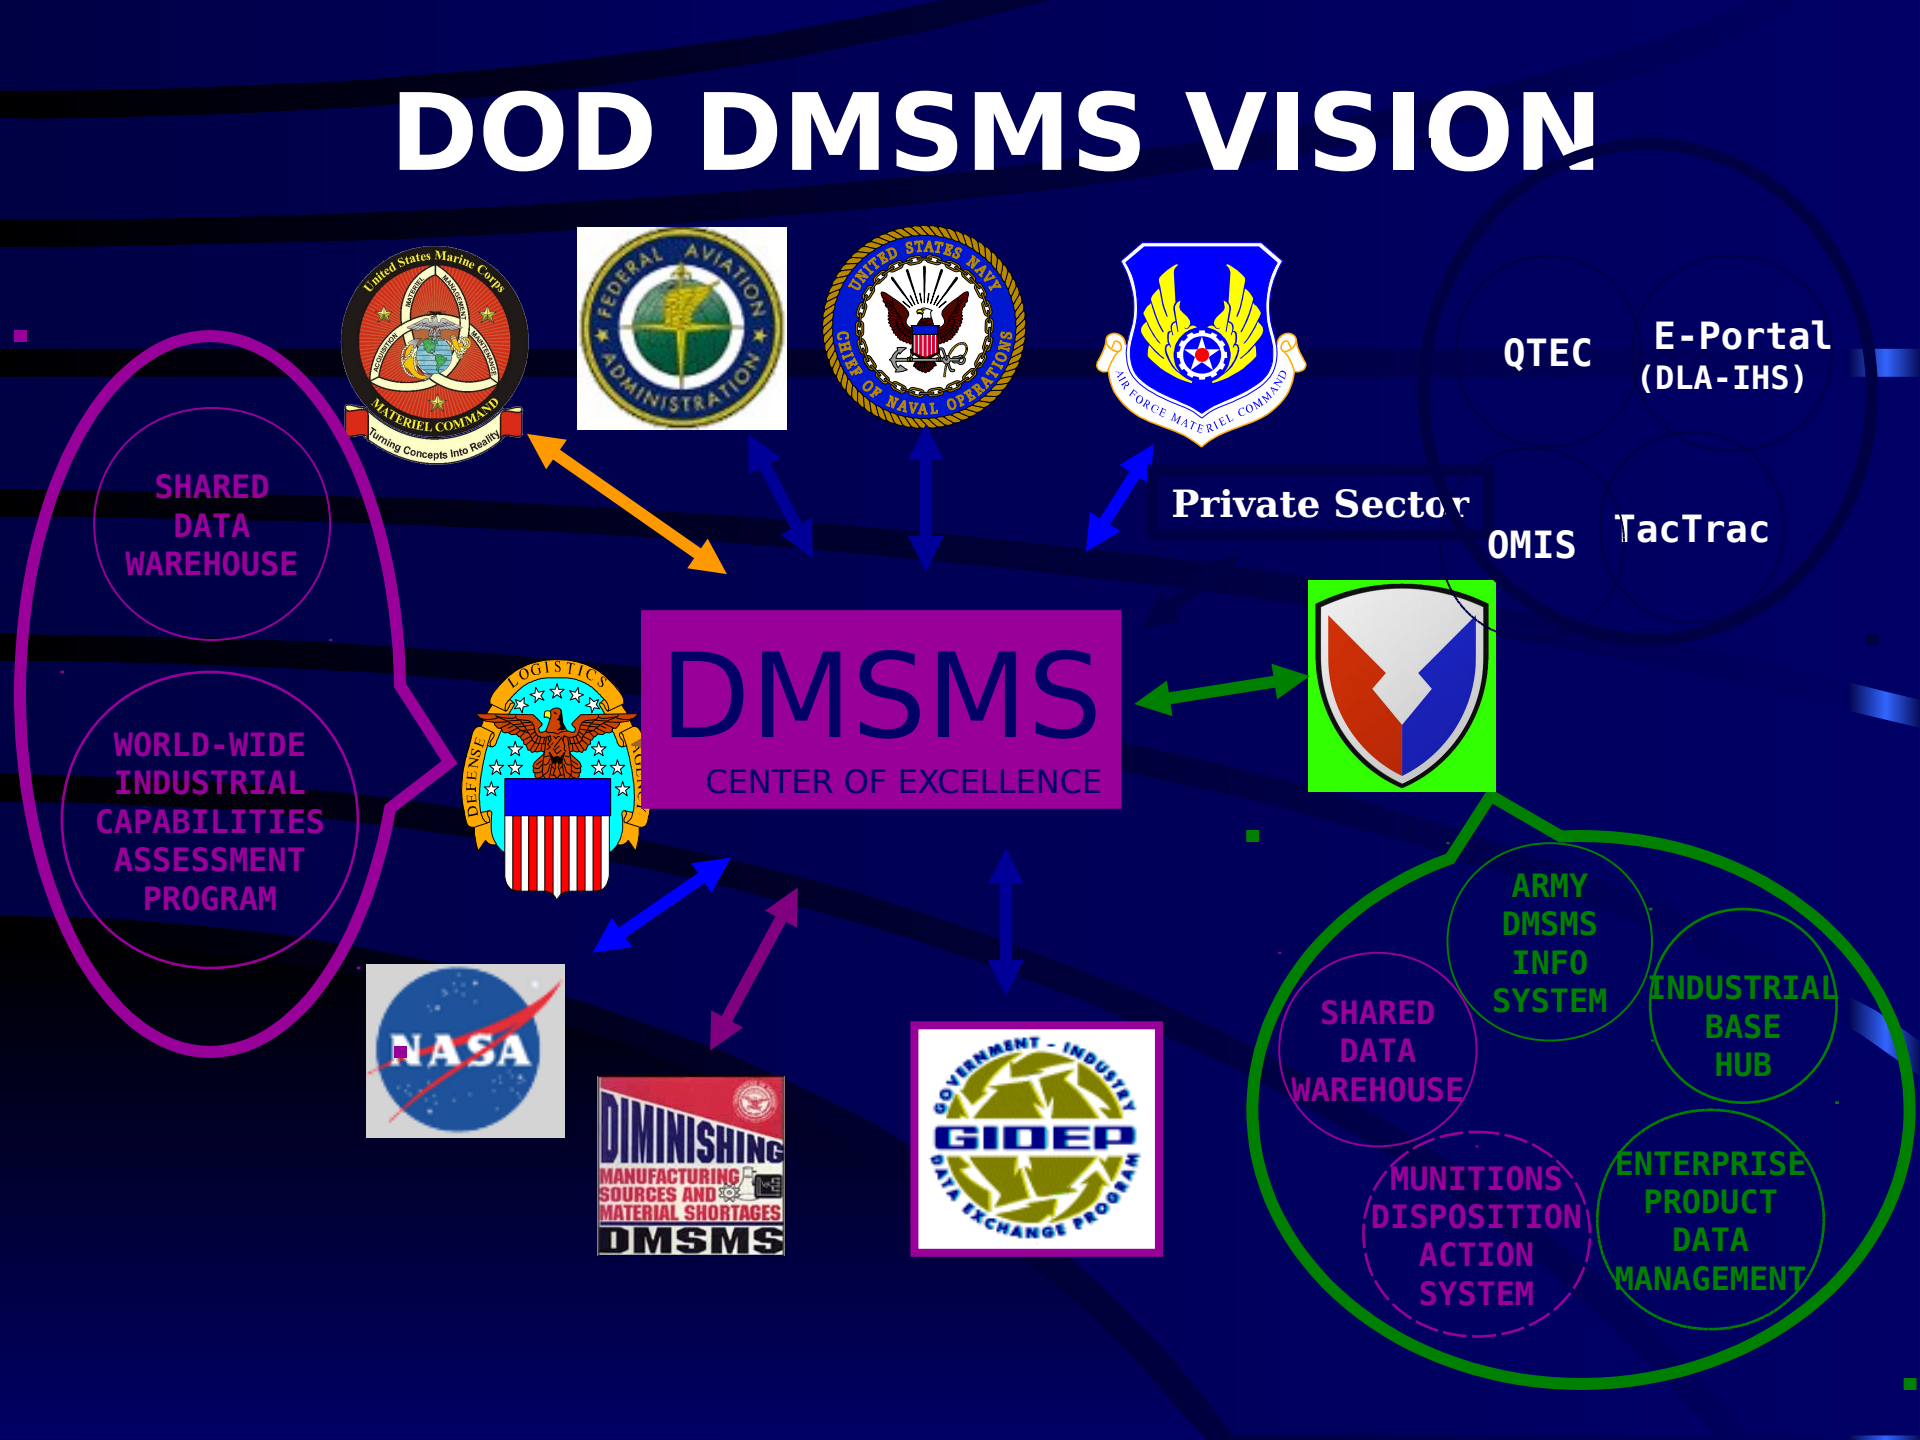
DMSMS Center of Excellence

- The enterprise was initiated by OSD
- Purpose:
  - Efficient Networking of DMSMS data sources
  - Manage bills of material
  - Provide secure collaborative environment
  - A One-Stop Shop for Obsolescence Information
- 2005 transition to GIDEP

Core Objectives

- Initial Point-of-Entry into the Obsolescence Solution World; Ongoing BoM Analysis Service
- Website to Help Engineers & Logisticians
- Data Warehousing, Linking Available DMSMS databases via Portals
- Network of Vendors to Procure/Deliver Products
- Non-Redundant Solution Platform to Bring Component Obsolescence Solutions Together

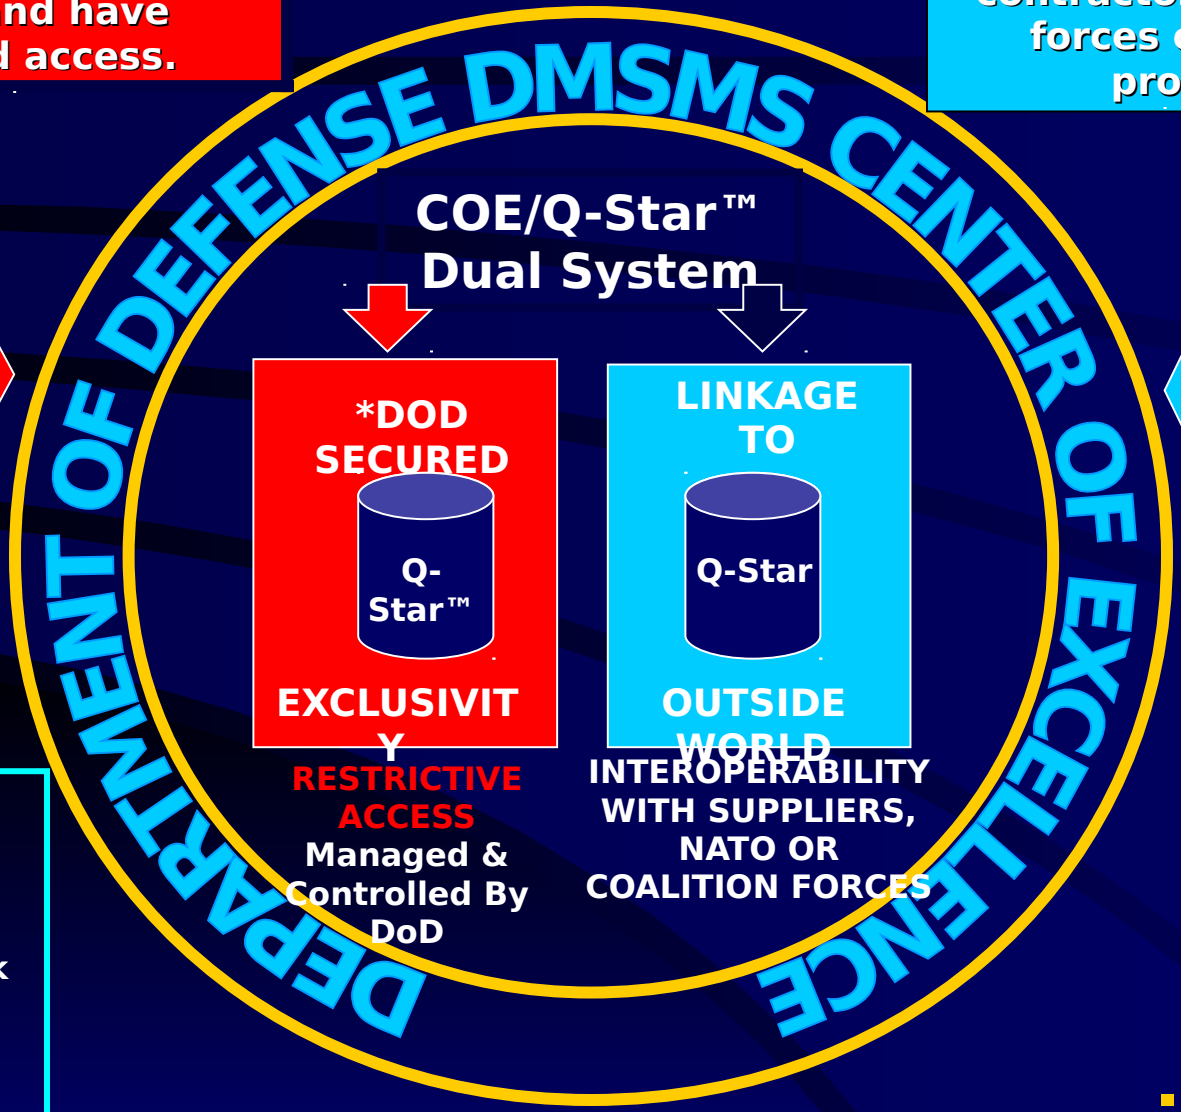
DOD DMSMS VISION



DOD CENTER OF EXCELLENCE WILL OPERATE FROM TWO DMS MANAGEMENT SYSTEMS

*One system will be secured for exclusive use by DoD and have restricted access.

**The second system will enable DOD to link with contractors or coalition forces on common problems.



ADVANTAGE:

"COE" System Would Enable DOD/USG Users Flexibility To Work Both Internally and Externally With Contractors Or Friendly Nations

*RED INDICATES DOD/USG ONLY

BLUE INDICATES SECURED BUT DEDICATED TO OUTSIDE USG/DoD USAGE
